Framed price £280, unframed price £75. After graduating with a degree in graphic design, Louise Percy began her career as an album cover artist before becoming a structural design engineer. Based in Oxfordshire Louise has been honing her skills as an artist for a number of years now, and after several decades of engineering, she decided to pack her steel toe cap boots away due to ill health and immerse herself back into her art, which has always been her passion. This has enabled her to blend her artistic flair with her lifetime career as an engineer, bringing about the perfect marriage of clean lines and minimalism in her work.
