Width: 80.01 cm (31.5")

Description

Read had moved Brighton and by 1933 to Tunbridge Wells. His subject matter often featured the shoppers and shop fronts of Kensington and Tunbridge Wells and made amusing observations of people going about their normal life, often revealing a quirky element. He often included the figure of his mistress/housekeeper and her small dog which may be the dog seen sunning itself on the beach in the present work.
