Description

Eileen Constance Greenwood studied at the Royal Collage of Art, Courtaulds Institute and Goldsmiths College. Working and a draughtsman and etcher, her subjects reflected her love of foreign travel and illustrated her great sense of design. With a quirky sense of humour she often populated her architectural subjects with cats. She had numerous solo exhibitions throughout the UK. She was a Fellow of the Royal Society of Painters and Etchers. Night of the Non Aggression Pact was later worked into a hand coloured etching.
